What do we do?

At FryAccord we want to help you to get back into work, training or education. Our experienced and skilled Intervention Workers can offer personalised support to meet your aspirations. We will take you on your journey to develop new skills such as increased confidence, choice and assertiveness; improving your communication and problem solving skills.

Can I apply?

Are you 29 or over? Have you been involved with the criminal justice system or have a criminal record? Do you feel you are at risk of offending? If so, you are eligible to access our expert support to get you back into employment, training or education. To receive our support please contact us directly or ask your support worker, Probation Officer or Police Offender Manager to make a referral application.
